1. Approval of the proposed agenda

Approved.

2. Approval of the minutes of the previous meeting

Approved.

3. General information about ETTTC and related events

Alberto:

- information about website,
- national contacts: please check the names on the website and send us corrections

DATE (Christina)

- Issues with decreasing submissions
- Track chairs to adjust topic description
- AP: confusion between DT6 and A5, rename T to Test, reliability and security
- CB: the problem is with T2 and T3
- BB: test generation is too specific, but security is more general
- CB: how we can solve the problem inside T track rather than bringing a track from outside into T
- HW: these topic should include dependability
- GD: shall we combine T2 and T3
- Shall we merge T2 and T3? The majority agree with that

DDECS (Zoran)

- It will be in April in Budapest
- 57 submissions, 30 total accepted, 6 work in progress
- Major drop of submissions in the last two years
- Next year in Romania
