1. Approval of the proposed agenda

Approved.

2. Approval of the minutes of the previous meeting

Approved.

3. General information about ETTTC and related events

Report by Liviu about AQTR (complete with data)

Alberto and Liviu organize DDECS 2019: it will be in Romania from 24 to 26 of April, CFP is already available as well as the website (<http://www.lirmm.fr/DDECS2019>)

Report on DATE T Track:

- Topics from A & D related to dependability are pulled out and merged into T Track: the goal is to avoid confusion and increase the number of submissions in T topics
- T2 and T3 have been merged
- New T3 and T4 about ...
- Problem: DATE TPC meeting is scheduled during the ITC test week

Sybille presented the two alternatives for TSS 2019:

1. Test issues in new computing paradigms
2. Classical topics in test (ATPG, Fault modeling, DfT, ...)

Alternative 1 received 8 votes, alternative 2 received 15 votes: The alternative 2 has been selected as new focus for TSS 2019

Rolf reported about ETS'18

- more than 200 participants
- Large industry participation

Matteo reported about SC activities and the new initiatives. The ETS 2020 will be organized in Tallin (Estonia)

Erik reported about the Nordic board test workshop

- in will be in November in Denmark
- Krish: the goal is to bring more participation of Nordic test into ETS community

Stefano reported about:

- IOLTS: call for participation is out
- VTS: location and dates are not defined yet due to conflict with DDECS
- EBS: new rule for using EBS, each conference should provide the full list of attendees to use the service for next year. No privacy issue.

Paolo reported about ART (ITC Workshop): 2017 edition was very successful, the 2018 edition will be announced early.

4. Next eTTTC meeting

It has been decided that the next regular ETTTC meeting will be held in conjunction with DATE'19 in Florence, March 2019. The exact date and meeting room will be announced in due time.

5. Adjourn

The meeting adjourned at 14:20
